Submitting a stock list of the Fruit stores requesting that the stock taking may in future be held in January each year.

The deficiency (1 case) & the excess (~~1~~ 1 case) noticed are very small.

The proposal of the Supdt to arrange for the stock taking in January every year, is for orders.

OFFICE OF THE SUPERINTENDENT,
GOVERNMENT PRINTING,

Bangalore, dated 26th Jan 1925.

PLS 59-24-

FROM

B. PUTTAIYA, ESQ., B.A.,
Superintendent, Government Printing,

To

B. RAMASWAMAIYA, ESQ., B. A., B. L.,
Offg: Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

SIR,

With reference to G. O. No: E. 1172-3/ P. &. S. 26-22-9, dated the 8th October 1923, directing that an annual stock-taking of the store articles of the Government Press should be arranged at the end of each official year, I have the honour to state that immediately on the close of the official year the stores section will be busily engaged in compiling the stores statements for the Press Administration Report and in preparing the Annual Inventory and that it has been found by experience that it is inconvenient to arrange for the annual stock taking of the store articles at that period. I request therefore that sanction may be kindly accorded to the taking of stock of the store articles at the beginning of January of every year in future as is being done in the case of the stock of the articles in the Stationery Depot.

The stock of the Press stores was taken at the beginning of January this year and a statement showing the results of this stock taking is submitted for information. Sanction may be kindly accorded to take the excesses of stock and to write off the deficiencies ~~of the accounts~~.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent.
